Organizing an in-kind donation drive is a great way for local groups, congregations, schools, businesses, families, or individuals to get involved with The Light House! These donations allow us to stock up on much needed items that go directly to those most in need in our community!

Choose from one of the themes below, or make up your own! The following donation drive items can be dropped off anytime at 10 Hudson St, Annapolis, MD. For questions about donations, please call 443-569-4211 or email volunteers@annapolislighthouse.org
