BAGGED LUNCH PROGRAM INSTRUCTIONS

Modified Due to the Current Covid-19 Crisis

- Until further notice, we ask that you **ONLY PROVIDE THE INGREDIENTS FOR BAGGED LUNCHES**, nothing is to be prepped or prepared off-site. Our bagged lunches are still essential for our operation and we will use these ingredients to prepare bagged lunches for our community clients.
- Please drop off these ingredients by 7pm the day before your donation by coming to the back door of The Light House. Please ring the doorbell and the RA at the front desk will speak through the intercom acknowledging the drop-off and will collect the items after you have left.
- Service Hours: Until further notice we are unable to verify service hours nor provide documentation for this verification. Thank you for your support and understanding!
