10 Ways for Students and Families to Help The Light House

1. Make bagged lunches using the criteria on our website and drop them off at The Light House to be distributed to our clients throughout the day. Be sure to sign-up to receive service hour recognition!
2. Organize a Client Choice Pantry donation drive in your community with your sports team or youth group, and bring the items to The Light House. Instructions and flyer can be found by visiting: <http://www.annapolislighthouse.org/needs>
3. Volunteer onsite at The Light House with your family or group. Visit <http://www.annapolislighthouse.org/volunteer> for more information.
4. Raise funds by organizing a yard sale, bake sale, car wash, lemonade stand, etc., and donate the proceeds to The Light House.
5. Donate a week's allowance to help The Light House with everyday expenses.
6. At your next birthday party, ask guests to bring a donation for The Light House (non-perishable food items, gift cards, full-sized toiletries, etc.) instead of a gift.
7. Put together personal care kits for our homeless community, including travel-sized soap, shampoo, lotion, toothbrush and toothpaste, wash cloth, etc., and drop them off at The Light House to be used in our Safe Harbour Resource Center.
8. Participate in one of the Annual Holiday Drives including Thanksgiving baskets or Holiday toy and resident gift baskets.
9. Host an activity night for our residents with your family, scout group or faith group, etc. This could include game night, trivia night, or arts & crafts. Hosts must provide all materials needed for the activity and must schedule through the volunteer department.
10. Spread the word and educate others on how or why you help The Light House and homeless community.
